

L.E.A. Costs Guide

Training for the L.E.A. Electricians A Class examinations is broken up into 3 parts:

1. S.W.P. Exam (Safe Working Practice)
2. L.E.T. Exam (Licensed Electrical Theory)
3. L.E.P. Exam (Licensed Electrical Practice)

The S.W.P.

- Training varies from student to student
- On average, the S.W.P. mostly takes 4 training sessions
- More sessions would be required, if the student's skills need more training
- The S.W.P. exam cost is \$143. Exam duration is 45 mins.
- Students can be booked in at Melbourne Polytechnic for this assessment

The L.E.T.

- On average, training for the L.E.T. takes 8 to 10 sessions, in order to be confident to sit the exam
- The L.E.T. exam cost is \$93. Exam duration is 2 hrs 15 mins.
- Students go to Melbourne Polytechnic (Heidelberg Campus) for this assessment

The L.E.P.

- On average, training for the L.E.P. takes 6 to 8 sessions, in order to be confident to sit the exam
- The L.E.P. exam cost is \$255. Exam duration is 4 hrs.
- Students go to Melbourne Polytechnic (Preston Campus) for this assessment
